D000

D001 Television aerials in Holwell Place
D002 TV aerials in Marsh Road
D003 A telephone engineer at work in Ashridge Gardens
D004 Another new phone line installed
D005 His tools are still there
D006 Perhaps he is having a tea break
D007 Cable TV and telephone control boxes begin to appear
D008 Mobile phone masts becoming part of the street scene
D009 This one by the Montesole Playing Fields
D010 On the roof over the old telephone exchange
D011 And above the shops at Pinner Green
D012 A recent arrival, digital TV satellite receiving dish
D013 Another satellite TV dish, in Eastcote Road
D014 Cable control box in Marsh Road serving another purpose
D015 One of the fast-disappearing old style telephone kiosks
D016 This one has found its way into somebody’s garden
